Pupil Instructions & Timetable

Pupil Instructions

We are now in a position to give you some very important examination dates. It would be worthwhile noting them in your Diary Planner as well as using the calendar provided at the back of this booklet.

Advice given to you by both your subject teachers and Social Education staff should have prepared you for these assessments. Please remember it is now your responsibility to plan your study and be fully ready for these important examinations. As you will know, the evidence of attainment which these Prelims provide will be required if you are unable, for any reason, to sit the S.Q.A. exams in May and may be required if you sit the final exams but perform below expectations.

The exam dates and times are detailed in the next three pages. Please note the following when using this timetable:

1. Any pupils that require special arrangements to be made for exams will be advised of the times and locations by Mrs Orkney. These may differ from the main timetable.
2. Not all subjects and levels will be assessed during this two week period; some will utilise timetabled periods at different times over the year or have their own specific arrangements.
3. Your seat numbers will be confirmed by your class teacher prior to the exams.
4. Where you have two different exams timetabled for the same date and time, separate instructions will be issued to you confirming when you should sit each exam.
5. Please take some time to read the information on examination conduct, contained on the back of the calendar.

Finally, if you have any questions regarding the timetable, please speak to the appropriate class teacher as soon as possible.

Good luck!

Mr Mulligan
Business Manager
