

IDEAS FOR INTEGRATING ICT WEATHER

Level B

ICT STRANDS		SPECIFIC SKILLS	CURRICULAR LINKS
Creating and Presenting	<ul style="list-style-type: none"> Create and edit a piece of text 	Work can be illustrated using Clipart that can be repositioned and resized as necessary.	Functional writing - write briefly in an appropriate form for a variety of purposes. Imaginative writing - write a brief, imaginative story or poem or dialogue, with discernible organisation and using adequate vocabulary
	<ul style="list-style-type: none"> Create a document with text and graphics using simple software 	Text handling could include using cut, copy and paste. Edit text using font, style, size and colour.	
Collecting and Analysing	<ul style="list-style-type: none"> Enter data into a pre-defined database Browse records and produce a simple report with support 	Demonstrate understanding of the need for accuracy in data entry.	Collect By obtaining information for a task Organise By using a simple database in which the teacher defines the headings or fields Interpret From the database by asking specific questions including some about similarities and differences
Searching and Researching	<ul style="list-style-type: none"> Access information on CD ROM with support 	Discuss how to find relevant information within a website or CD ROM.	Reading - find and use, with teacher support, information specific to their needs from a range of informational and reference sources.
	<ul style="list-style-type: none"> Access websites with pre-set bookmarks 	Evaluate the information by checking from one source to another (eg. Book and CD ROM).	

- Investigate the water cycle. Use the water cycle clipart in Granada Writer. Labels could be added. A short description could be added.
- Record the amount of rainfall and enter the information into a pre-defined database. Browse the information and use the software to graph the results.
- Create weather poems. Change font, colour and size. Clipart could also be added.
- Use book marked websites to find information about the weather and its effects.

(Granada Toolkit already has this piece of clip art - with and without labels)
